

The following outlines tools, resources, trainings, and webinars for Community Health Centers serving vulnerable and special populations living with HIV, particularly for individuals and families experiencing homelessness, migrant and seasonal agricultural workers, veterans, and LGBTQIA+ populations. All Webinars/Trainings are available free of charge. Some might require additional registration to gain access.

<b>Individuals and Families Experiencing Homelessness</b>	
<b>Resource Title</b>	<b>Description</b>
<a href="#"><u><b>HIV/AIDS Resource Page – National Health Care for the Homeless Council</b></u></a>	<i>Resource page containing archives webinars, council resources, clinical tools, and additional online resources assembled by the National Health Care for the Homeless Council</i>
<a href="#"><u><b>Housing Opportunities for People Living with HIV/AIDS (HOPWA)</b></u></a>	<i>The Housing Opportunities for Persons with AIDS (HOPWA) Program is the only Federal program dedicated to the housing needs of people living with HIV/AIDS. Under the HOPWA Program, HUD makes grants to local communities, States, and nonprofit organizations for projects that benefit low-income persons living with HIV/AIDS and their families.</i>
<a href="#"><u><b>HIV/AIDS Service Administration (HASA) Services (NYC Only)</b></u></a>	<i>HASA assists individuals living with AIDS or HIV illness to live healthier, more independent lives. The program can help clients with individualized service plans to target necessary benefits and provide support that is specific to their medical situation and that will enhance their well-being. HASA clients receive ongoing case management and are assigned to a caseworker at one of our HASA centers, located in all 5 boroughs.</i>
<a href="#"><u><b>CAMBA Housing Programs</b></u></a>	<i>CAMBA has provided emergency and transitional housing for people living with HIV/AIDS and their families for over 25 years. They have a strong relationship with New York City’s HIV/AIDS Services Administration (HASA) and its three Brooklyn-based centers and have a deep understanding of HASA’s benefits and housing placement process.</i>
<a href="#"><u><b>Iris House</b></u></a>	<i>Iris House was founded specifically for women living with HIV and their families. Over the last 25 years, their programs have diversified in their audience, but they still work to maintain a gender-specific approach to their work. Iris House offers support services such as Food &amp; Nutrition Programs, Housing Programs, Behavioral Health Services, and Emotional Wellness Groups.</i>

<b>Migrant and Seasonal Farmworkers</b>	
<b>Resource Title</b>	<b>Description</b>
<a href="#"><u><b>Farmworker Justice HIV/AIDS Resource Center</b></u></a>	<i>Resource Page containing archived toolkits, publications, and miscellaneous resources from Farmworker Justice.</i>
<a href="#"><u><b>National Center for Farmworker Health, Inc. – HIV/AIDS Agricultural Worker Factsheet</b></u></a>	<i>Fact Sheet from the National Center for Farmworker Health, Inc.</i>
<a href="#"><u><b>Farmworker Men and HIV: Historias del Campo – Farmworker Justice</b></u></a>	<i>A fotonovela that details HIV/AIDS-related situations for male farmworkers.</i>
<a href="#"><u><b>Issue Brief: Farmworkers and HIV</b></u></a>	<i>Issue brief developed by Farmworker Justice that provides information about policy and strategies to address HIV in farmworker communities. It includes resources that administrative clinical staff can use to promote education, testing, and treatment for HIV among migratory and seasonal agricultural workers (MSAWs).</i>

COMMUNITY HEALTH CARE ASSOCIATION of New York State

### LGBTQ+ Populations

Resource Title	Description
<a href="#"><u>National LGBTQIA+ Health Education Center from the Fenway Institute</u></a>	Resource Page containing archived webinars, learning modules, videos, and publications from the National LGBTQIA+ Health Education Center at the Fenway Institute (TFI).
<a href="#"><u>PrEP Action Kit</u></a>	Clinical resources to help providers incorporate PrEP into their practices. Including helpful resources such as tips on taking comprehensive sexual history, FAQs about PrEP.
<a href="#"><u>Long-Acting Injectable PrEP for HIV: What Health Centers Need to Know</u></a>	Archived webinar where participants learn about the effectiveness, advantages, and disadvantages of long-acting injectable cabotegravir as well as the clinical and programmatic steps to incorporate it into practice.

### Veterans

Resource Title	Description
<a href="#"><u>Implementing HIV Pre-Exposure Prophylaxis (PrEP) in a Homeless Primary Care Clinic</u></a>	Archived webinar from the National Health Care for the Homeless Council discussing low rates of initiation of PrEP for eligible veterans in the Homeless Patient Aligned Care Team (HPACT) clinic at VA Greater Los Angeles Healthcare System (VAGLAHS).
<a href="#"><u>Veterans &amp; HIV – VA</u></a>	Resource page from the U.S. Department of Veterans Affairs on HIV.
<a href="#"><u>Protect with PrEP from the VA</u></a>	Resource page from the U.S. Department of Veterans Affairs on PrEP.

### Misc. HIV Resources

Resource Title	Description
<a href="#"><u>NYC Health Map</u></a>	Resource map used to locate HIV/STI testing, PrEP, free safer sex products, LGBTQ+ Health Services, etc., across the Five Boroughs of New York City.
<a href="#"><u>NYC Health and Hospitals</u></a>	Programs/services that are available to people living in NYC looking to access care, PrEP, PEP, and HIV-medication through NYC Health+Hospitals (H+H)
<a href="#"><u>NYS HIV Patient Resources Directory</u></a>	Resource directory, arranged by region, compiling HIV Patient resources across New York state.
<a href="#"><u>NYS HIV Hotlines</u></a>	NY State Hotlines providing basic information about HIV transmission, prevention, testing procedures, & referrals to local providers by county of region.
