

B PDSA WORKSHEET PART 1

Today's Date:	
PDSA Cycle No.:	

Complete Part 1 of the worksheet during the planning stage of your Plan-Do-Study-Act (PDSA) cycle. Multiple PDSAs can be designed in support of a single aim.

AIM STATEMENT (Measurable goal, with a target date)	
1. PLAN	
What intervention will you try?	
When?	
Who will be involved / Team members?	
Who will be involved / Patients?	
What do you predict will happen?	
How will you evaluate how it went?	
Who will collect the evaluation data?	
What do you need to get ready?	

PDSA WORKSHEET PART 2

Today's Date:	
PDSA Cycle No.:	

Complete Part II of the worksheet upon completion of your test and its follow-up assessment.

2. DO	
What actually happened?	
3. STUDY	
What did you learn?	
How did the results compare to your predictions?	
5. ACT	
How will you adapt, accept, or abandon?
